Aloha. My name is Julia Allen. I was born in Honolulu (Kapiolani maternity) and live in the family home my parents purchased in 1947 just before my birth.

Our 20th District consists of Maunalani Heights, Palolo Valley and St. Louis Heights where I live. It is a lovely part of town that stretches from a newly vibrant Kaimuki to the majestic Koolaus.

I am a small business owner as is my husband, Michael Palcic. For the last 30 years I have worked in retail businesses. We work long and hard each day to build our lives in Hawaii. We cherish Hawaii's people and the precious environ that surrounds us. We have no children of our own, but treasure our island keiki and know that in them lies the future of Hawaii. We tend our garden, care for our animals and share the bounty of our lives wherever we can.

I am campaigning for the House because vital issues must be addressed: true education reform, responsible use of tax dollars, and creation of an open and transparent legislative process. Our governor deserves the support of the people as she straightforwardly addresses Hawaii's challenges.

I have been fortunate to have worked as a legislative aide for the last two years and have learned a great deal about the legislative process. To become your representative is a job I truly want and will work my hardest to attain. I will be an able advocate for our district.
